WTTF Airs Two Different Views of 'Castro's Cuba'

Two intensely debated works by renowned filmmakers are coupled in Castro's Cuba: Two Views, which airs Wednesday, August 8 at 9 p.m. on WTTF-TV(3).

Sean Simon, host of National Public Radio's Weekend Edition, introduces the two films. "The Uncompromising Realism," directed by Saul Landau, is a sympathetic look at the economic and social gains made since the 1959 Cuban Revolution. Cuba exiles Nestor Almendros and Jorge Ulla offer harsh criticism of human rights violations during the same period in "Nobody Listened."

Building on previous film work done in Cuba, Landau now finds a Castro with a graying beard, involved in a campaign aimed at "gaining the revolution back on course."

Almendros and Ulla were led by their deep disillusionment with their native land to conduct a series of interviews with former political prisoners, a few of whom had once been close aides to Castro. The result is a litany of horrors, recounted by Cubans who were tortured or suffered inhumane imprisonment.

Ladies 9 Hole Golf

On July 25th, Range End Country Club Ladies 9 Hole Golf Association's event field play had the following winners: 1st-Susan Goubin, 2nd-Andy Davis, 3rd-Janet Hoffman.

Weekly HEALTH TIP

NO-TAN MODELS

Zoli Modeling Agency says, "We definitely tell all our models to stay out of the sun, as it may destroy their careers. The sun takes away that fresh, young look. In recruiting models from sunny states, such as Arizona and Florida, we find that many young girls already have lined faces.

There is the added danger of skin cancer that also argues against suntanning.

Dillsburg All-Stars Capture Third

The Dillsburg 13-year-old Girl's Softball All-Stars captured third place in the 1990 Mechanicsburg All-Star Tournament July 30-22. A field of 16 teams competed in this age division during the 1-day tournament.

During the first round of this double-elimination event, Dillsburg defeated Carlisle. Cumberland Valley and Mechanicsburg Gold. Entering the final round of competition on Sunday, only Dillsburg and Mechanicsburg Gray remained undefeated. Mechanicsburg Gray had won the State Championships in Pittsburgh the previous week, and the ladies from Dillsburg were poised and ready for the showdown.

In what proved to be the premiere game of the entire tournament, Mechanicsburg Gray squeezed by Dillsburg 3-2, in 9 innings. Immediately following that thriller, Dillsburg played Greencastle to determine 2nd and 3rd place in the tournament. Once again, Dillsburg was edged out in extra innings 6-5.

The young ladies comprising the Dillsburg squad practiced together for only 4 days prior to undertaking this tournament and are to be congratulated for their outstanding performance. Head Coach Bill Sherman, when asked to summarize the team's success, said that in all his years of coaching he had never met a group of girls like this group – whose skill level matched their determination, desire to win and love of the game. He said it was a pleasure to have been able to work with such a fine group of young ladies.

Pictured above with their individual and team trophies are the coaches and members of the squad. They are, first row, left to right: Leigh Anne Gochenour, Marian Book, Becki Myers, Mary Freeburn and Jennifer Lerr. Second row, left to right: Coach Stephanie Seltzer, Lisa Nell, Seasons Cline, Megan Duran, Kristin Kennedy, Lindsay Gingrich and Kathy O'Dean. Third row-Coaches Bill Sherman, Keith Nell and Bill Myers.

Deb's Country Corner

Hello Country Folks,

Another hot week, wasn't it? Its been so hot even my dogwoods are panting. Of course the humidity makes you feel like you need a scuba outfit just to breathe. Just walking out for the mail is a "dripping" experience. Makes me remember back to another chore we always had to do in this weather.

As August rolls around, one of the things I always look forward to is fresh sweet corn. When you buy it fresh picked, husk it yourself, and steam it right away, there's no better eating in the world.

You probably all know how our parents and grandparenters preserved that corn.

First rule it seemed, was to pick the hottest, most humid day of the summer. We'd start early, and go through the cornfield snapping off the silk-topped ears. Between husking, goats and the silk sticking to you, you were ready to quit then and there. But there was lots more to come.

At Grandma's house there were always extra hands around, so one team starting husking. Seems the boys learned early that if you pinched one of the big kernels just right, you could squirt your neighbor right in the face.

The first team brought in the ears to be rinsed in cold water and brushed to get the silk off. Then on to the dishpans.

Gram had these big enamel dishpans we worked out of. Stand the ear on the blunt end and slice off a row. But to get the very most the corn had to offer, you'd scrape the knife back up the cut row. I'm sure we extracted every vitamin possible, but you also got corn juice up your arms, in your hair, and all over your glasses.

As the amount of corn grew the canning kettles would be started. If you thought it was hot before, get ready. Steam from the boiling water, as well as heat from the stoves turned the kitchen into a sauna bath.

Soon, cold-packed quarts of corn lined the cooling table. And, by the way, Grandma was an early re-cycler, because there were always plenty of corn cobs left to be dried for later use.

Recipe for the week is cool and creamy. Enjoy.

Pineapple Cream Cheese Salad
1 can crushed pineapple
1/2 cup sugar
1 pkg. lemon gelatin
1 pkg. orange gelatin
2 cups cold water
1/2 cup finely chopped nuts
1 can very cold evaporated milk
1 8 oz. pkg. cream cheese

Boil pineapple and sugar for 5 minutes. Dissolve gelatin in the pineapple mixture, add cold water. Chill until firm, add nuts. Whip very cold milk until stiff, add cream cheese and beat well. Mix into gelatin and refrigerate at least 3 hours.

HOUSEHOLD HINT FOR THE WEEK. Humidity getting into everything? Put some rice in with your salt to keep free-flowing. Store cereal, chips, and cookies in your unused oven. And try a small, plastic, pourable container with a tight lid for your sugar.

World of Outlaws Return Thursday and Friday

The Copenhagen/Skoal Shootout returns to Williams Grove Speedway this week with a two-day, $55,000 event for Sprint cars sanctioned by the World of Outlaws.

Racing gets under this Thursday, August 2, and continues Friday, August 3. Friday's rain date is Sunday evening, August 5.

On Thursday night, time trials will begin at 7:15 and will be followed by qualifying heats, a dash, a B-Main and a 20-lap feature which pays $3000 to win.

The first four finishers in Thursday night's feature will become guaranteed starters for Friday's 30-lap main event.

Time trials will also open Friday's program at 7:15 followed by qualifying heats, a B-Main and the $8000 to win finale.

Gates will open at 5:15 on Thursday and Friday.

Dave Kelly Tops NAPA/Champion Sprints

Dave Kelly tuned up for the World of Outlaws with a victory in the 25-lap NAPA-Champion Sprint car feature Friday night at Williams Grove Speedway. Bob Beidleman won the 15-lap limited Sprint car main event.

Kelly started on the pole in Earl Kelly's Brown's Racing Enterprise #17 and outdragged Kenny Jacobs into the first turn. Kelly then proceeded to drive a near perfect race to score his second victory of the season here. The win was worth $2500.

Second place went to Steve Smith with his son, Stevie Smith, taking third. Completing the ten top were fourth: Donnie Kreitz, Steve Stambaugh-fifth; Joey Allen, sixth; Kenny Jacobs, seventh; Fred Rahmer, eighth; Paul Lozier, ninth and Lance DeWease completed the top ten.

Heats for the 35 sprint cars were won by DeWease, Allen and Dan Dietrich. Bobby Fletcher captured the consolation race.

Beidleman started ninth and took the lead from Bill Peters on the ninth lap, then went on to win the Limited Sprint car feature. It was the first victory of the season for the defending champion.

Jimmie Sheaffer finished second ahead of Sam Ross, Bill Peters, Don Wolfe, Bobby Essick, Johnny Martin, Steve Villella, Dave Smith and Scott Ausherman.

Limited heats went to Gene Knaub and Sheaffer.

Aquatic Program at Nixon Park

Nixon County Park will examine the inhabitants of the stream and pond in the park on Sunday, August 26th from 2:30 p.m. until 4:00 p.m. This aquatic program will be hosted by Blaine Snyder, who will identify and discuss what lives in these underwater environments. For more information on this free program, call the nature center at 428-1961.

Bat Program at Nixon Park

Bats will be the topic of Nixon Park's Sunday program series on August 12 at 7 p.m. This popular program will explore the myths about these malign creatures and explain the truth about why these animals are so beneficial. Weather permitting, the free program will be held on the front lawn of the nature center. Participants may want to bring a lawn chair or blanket. For more information, call the nature center at 428-1961.

Boating and Fishing Returns To Lake Williams

After extensive maintenance work on the Lake Williams dam breast, the York Water Company and the York County Parks proudly announce that boating and fishing is again permitted on Lake Williams in the William H. Kain County Park. Shore fishing is permitted 24 hours a day but is restricted only to the following areas: South George Street parking area at the iron bridge; Pines picnic area on Water Street; on the Lake Williams dam breast, and; on the peninsula north of the dam on Water Street. Shore fishing from any other area is prohibited.

As a reminder to boaters, no trailers are permitted in the Lake Williams boat launch area. Boats must be transported only by car-top or truck. Only electric motors are allowed to be used. The boat launch area is open daily from 8 a.m. until dusk. Access may be gained by foot only onto Water Street in Jacobus and proceeding approximately 0.5 miles to the boat launch area entrance.

Nature Walk At Nixon Park

Nixon Park will host a nature walk on Sunday, August 5th from 2:30 p.m. until 4:00 p.m. The walk will be a leisurely walk to examine the mid-summer status of the inhabitants of the park. For more information on this free program call the nature center at 428-1961.

Public Star Watches At Ruby Park Observatory

The John Ruby County Park observatory will host public star watches on Friday, August 10th and Friday, August 24th from 9 p.m. until 11 p.m., weather permitting. Visitors to the facility will view various celestial objects through the Brooks 12-1/2" reflecting telescope. Featured objects for August include the Moon, the planets Saturn, Uranus and Neptune, the Ring Nebula and the Lagoon Nebula. Members of the York County Parks Astronomical Society will have several telescopes available for observing as well as answer any questions concerning astronomy. The program is free and open to the public. For more information, call the York County Parks at 771-9440.

Geology Walk At Nixon Park

Nixon Park will host a geology walk through the park on Sunday, August 19th from 2:30 p.m. until 4 p.m. Jeri Jones will discuss the geologic history of the area, the effects of stream erosion, mineral resources and geologic hazards with the park visitors. The program is free and open to the public. For more information, call the nature center at 428-1961.

Summer Concert Series At Lake Redman

Beginning on Sunday, August 12th and continuing for four consecutive Sundays, Salem United Church of Christ in Jacobus, Pennsylvania will present the Summer Concert Series at the Lake Redman Boat Launch Area in Jacobus. Groups scheduled to perform are as follows:

August 12-U.S. Navy Band Sea Chanters. The dynamic chorus of the U.S. Navy Band in Washington, D.C. perform a variety of music ranging from traditional sea chanteys to Broadway musicals.

August 19-Cabin Creek. A musical group comprised of a guitar, bass, banjo, fiddle and mandolin featuring blue grass and gospel music.

August 26-Red Lion Preston Hand. Musical group that features a unique style of music including marches, polkas, overtures and show tunes.

September 2-Kevin Moyer. A contemporary Christian musical performance suitable for the youth but also appealing to all ages featuring light rock music with a positive message.

All concerts begin at 7 p.m. and are free and open to the public. It is recommended that visitors bring their own chairs or blankets. In case of inclement weather, the concert will be held at Salem Unit Church of Christ, 24 Franklin Street in Jacobus. For more information, contact the York County Parks at 771-9440 or Salem United Church of Christ at 428-2443.

Astronomical Society Hosts Astronomy Course

The York County Parks Astronomical Society will host a mini course in astronomy this fall at the John Ruby County Park observatory. The classes will begin on Saturday, September 8th and continue for five consecutive Saturdays through October 6th from 7 p.m. until 10 p.m. Topics to be discussed include telescopes, constellations, the Sun and Moon, the Solar System and cosmology. During each session, observing through the Brooks 12-1/2" reflecting telescope will be held. Each topic will be lead by various members of the astronomical society. Cost for non-members is $25.00 and $10.00 for members. The registration fee covers the textbook, star chart and laboratory materials. The class is limited to twenty people. To register for the course or for more information, call the York County Parks at 771-9440.
